ADA Statement:  
This instructor, in conjunction with Rice University, is committed to upholding and maintaining all aspects of the federal Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. If you are a student with a disability and wish to request accommodation, please contact the Disability Support Services Office in the Ley Student Center. Any information regarding your disability will remain confidential. Because many accommodations require early planning, requests for accommodations should be made as early as possible. Any requests for accommodations will be reviewed in a timely manner to determine their appropriateness to this setting.
Attendance Policy:

The attendance policy for LPAP courses that meet twice a week will be as follows:

Students are expected to attend all class sessions and to actively participate while in attendance. During the course of the semester, students are allowed two unexcused absences. A 3rd unexcused absence will result in a one-letter drop in final grade and a 4th unexcused absence will result in a two-letter drop in final grade. Should a student miss a 5th class, she/he will not receive credit for having taken the course.

If a student needs to miss a class for reasons that are excusable, (e.g. illness, family emergency, university-sponsored event, or job interview) that student is responsible for making up the class at a time and place that is agreed upon by both student and instructor. All excused absences (with the exception of medical emergencies) need to be communicated to the instructor prior to the date that the student will be absent, and it is the responsibility of the student to initiate a make up day. Should the class not be made up within a two week time period, the absence will be deemed as unexcused and will count toward the number of unexcused absences a student is allowed.

Honor Code Violations:
All students are expected to uphold their pledge to the Rice Honor Code. Any student suspected of cheating on an exam or written assignment will be reported to the Chair of the Honor Council, and an investigation will ensue. Any questions that you may have about what constitutes an honor code violation in this class can be directed to the instructor.

Physical Limitations:
Please speak with your instructor if you have any physical condition that may limit your capacity to complete all of the activities of this course.

Dress and Equipment:
Students are required to dress appropriately for all class sessions. Appropriate clothes include shorts, T-shirts, tennis shoes (a.k.a. gym shoes/sneakers), or reasonable extensions of the above clothes (i.e. wind pants, sweat shirts, etc.).

Adding the course:
Students will be added to the course based on the need for more participants. If the class already has enough students to cover all sports, there is a good chance no one else will be added.

All students will be required to swipe their Rice I.D. to get into the Recreation Center, so BRING YOUR RICE I.D. EVERYDAY.
