The goal of the Counselor-In-Training (CIT) program is to provide 13 to 15 year olds with the opportunity to be mentored by bright and charismatic college-aged counselors and staff and to learn the leadership skills that are necessary for them to act as role models for children younger than themselves. CITs will be assigned to a specific group for the duration of a session, and through hands-on experience, will have the opportunity to interact with participants, counselors and instructors in the operation of the Summer Youth Activity Program. Due to extensive interpersonal connection, CITs should be friendly and approachable.
