The Goliad Paddle Trail is a gentle 6.6 mile section of the San Antonio River ending at the Goliad State Historic Park. The floodplain contains a mix of brushland and woodland galleries supporting a diversity of Texan flora and fauna. With ranches interspersed along the corridor, you are likely to encounter livestock freely watering at the river too. Once off the river, the afternoon may provide an opportunity to explore the state park and learn about early settlers of the region.

Registration closes Friday February 15th at 12pm.

It is not necessary for you to purchase a lot of expensive equipment; many items listed above you may already own. Items that you choose to purchase may be available at low cost from mail order suppliers or your local outdoor specialty shop. Our major concern is that all participants have appropriate equipment for a safe and comfortable experience.

If you are unsure whether an item or clothing you own is appropriate for this trip, please contact us prior to the trip or bring the item/clothing to the pre-trip meeting.

Please leave jewelry and other non-essentials at home.

These requirements are for the safety and comfort of participants. ROPE reserves the right to refuse involvement in the program to anyone not properly equipped.

Alcohol, tobacco, and recreational drugs will not be tolerated on any trips led by ROPE. If you have such items, do not bring them!
