Situated in the flood plain of the Trinity River, the National Wildlife Refuge covers over 30,000 acres and provides critical habitat for migratory birds and other wildlife. With a number of day use areas to choose from, ROPE will wander along some hiking trails and weather permitting, make our way to a sunny sand bar for a relaxing lunch by the river. Keep your eyes and ears open for the best viewing opportunities! Trails may be muddy so bring a sturdy pair of shoes or boots for the hike. This trip is open to participants of all skill levels.

Registration Closes Thursday February 14th at 12pm.

It is not necessary for you to purchase a lot of expensive equipment; many items listed above you may already own. Items that you choose to purchase may be available at low cost from mail order suppliers or your local outdoor specialty shop. Our major concern is that all participants have appropriate equipment for a safe and comfortable experience.

If you are unsure whether an item or clothing you own is appropriate for this trip, please contact us prior to the trip or bring the item/clothing to the pre-trip meeting.

Please leave jewelry and other non-essentials at home.

These requirements are for the safety and comfort of participants. ROPE reserves the right to refuse involvement in the program to anyone not properly equipped.

Alcohol, tobacco, and recreational drugs will not be tolerated on any trips led by ROPE. If you have such items, do not bring them!
