
CLUB SPORTS BUDGET PROPOSAL FORM

At the beginning of each school year, registered club sports are asked to submit their proposed budget to the Club Sports Committee. Clubs are encouraged to supplement university funding through their own resources. Each club is requested to complete the following funding request form for their budget needs. The Club Sports Committee will review all budgets received and allocate available funds. Prior to the allocation and distribution of funds, student representatives of the Club Sports Committee will meet with each club to review the budget process and offer assistance in completing the forms.

- **Budgets received after the deadline may be denied financial assistance.**
 - **Clubs must register with the Office of Student Activities by the budget deadline.**
 - **The Membership List, signed Participation Agreements (waivers), Motor Vehicle Record Check, Coach/Instructor Contract, Fall Space Request Form and a copy of the club's Fall schedule must be returned with the budget proposal.**
