Come spend a day on the water with ROPE! We'll be canoeing a 10.4 mile section of the Buffalo Bayou through Houston, TX alongside many members of the Houston community completing the regatta. Although we won’t be paddling the full regatta length we will contribute to the clean up with some trash removal from the river. Water levels will be higher from dam release so some experiencing paddling a canoe is required. Equipment, transportation, and lunch is provided. Participants should eat breakfast before departure. Sandals with heel straps or shoes that can get wet are required. No flip-flops or bare feet permitted.
