All kayaking trips require completing a pool session with trip leaders to demonstrate ability to exit kayaks confidently. The ability to swim independently is required to join this trip.

Join ROPE out on the salty seas! We're heading to Galveston State Park for some quintessential Texas kayaking along the park's paddle trails. We're sure to see sea and migrating birds, probably some fish, and maybe even a dolphin if we are lucky! Our 7-9 mile routes may vary as we paddle by the coastal dunes and through saltwater lagoon.

Registration covers transportation, recreation area fees, outdoor equipment, and meals on trail. Participants must assist with gear clean-up, as this allows reduced trip costs.

According to weather and water conditions this trip may be restricted to interior waterways or shift to an alternative paddling location.
